

**JOIN HOMECARE WORKERS,
SENIORS, PEOPLE WITH DISABILITIES,
COLLEGE STUDENTS AND COMMUNITY ALLIES**

In a RALLY to urge our elected officials to

**“STIMULATE NOT
DEVASTATE”**

We have to act now to STOP deeper cuts to home care, higher education, healthcare, and CalWORKS!

State officials will hold a public hearing to decide if the state will use federal stimulus dollars to prevent deeper cuts to IHSS, SSI/SSP, universities and other services we all depend on.

**Tell the Governor and Legislators the stimulus must boost our economy.
Cutting jobs and services will only hurt us further!**
