Delayed Egress/Secured Perimeter Facilities

Governor proposed trailer bill language to eliminate the statutory requirement that these facilities be eligible for federal funding.

Senate modified the Governor’s proposed trailer bill language to include language to specify admittance criteria and program design components for both a forensic and non-forensic population and for children, and, to the extent the final language removes the federal funding requirement, how the health and safety safeguards required by federal funding participation will still be met.

Assembly approved the Governor’s proposed TBL.

Self-Determination Program Provisional Budget Bill Language and Placeholder Trailer Bill Language

Senate
BBL/TBL

Governor proposed provisional language to allow the transfer of funds from local assistance to state operations, once federal approval is secured, to allow GF savings in purchase-of-services to offset the administrative cost of the program, and to notify the Joint Legislative Budget Committee (JLBC) within ten days of the transfer.

Assembly

Difference
BBL/TBL

Senate modified the Governor’s provisional language to require JLBC notice at least 30 days prior to the transfer of funds. Adopted placeholder TBL to expand the program by up to 250 slots so that up to half of available slots would be available for use by persons moving from a developmental center.

Assembly approved Governor’s provisional language.
