

August 28, 2019

Greetings:

The Humboldt County In-Home Supportive Services (IHSS) Advisory Committee and California In-Home Supportive Services Alliance (CICA), currently with 34 member counties, are pleased to announce that we have rescheduled the IHSS Advisory Committee Training workshop for Friday, October 11, 2019. The workshop will be all day, from 9:30 am to 3 pm and will take place in Eureka.

Note that we, as advisory committees, are at the beginning of a new fiscal year and budgets are becoming available; this workshop is a good investment for Advisory Committee members, as well as prospective members.

Some topics that will be covered are:

- Our Mandate (per AB 1682)
- Forming and maintaining a relationship with county staff.
- Outreach ideas
- The role of the Public Authority
- Recruiting members
- And more. If there is a topic you would like to suggest, please do so.

There will be breakout sessions to discuss various subjects, and lunch will be served.

This is a unique opportunity to learn from each other and renew our energies towards empowering and protecting the voices of IHSS Consumers. Please plan on attending.
