IHSS CPS & REGISTRY

IHSS CPs

The number of IHSS Care Providers has consistently decreased over the past year. In May 2017 however, the number of Care Providers spiked to 2,043; up 72 Care Providers from April 2017. This increase can be explained by an increase in CP applicants, as well as an increased number of CPs coming off Leave.

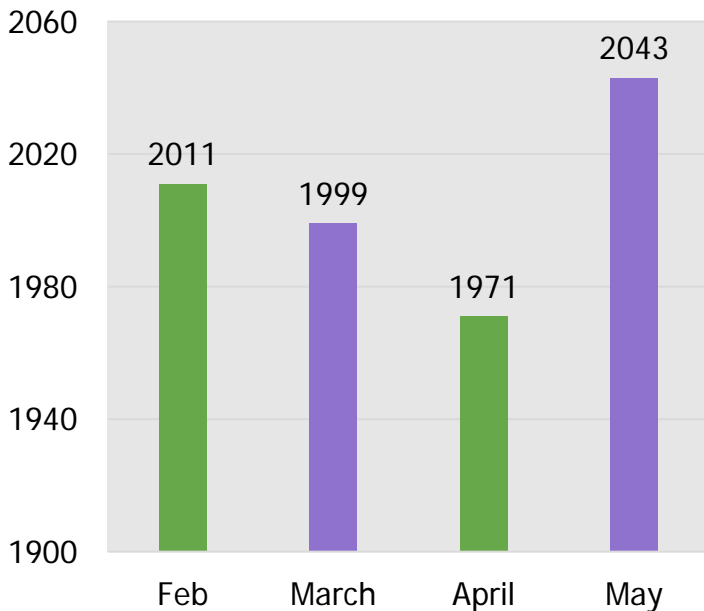

IHSS Registry

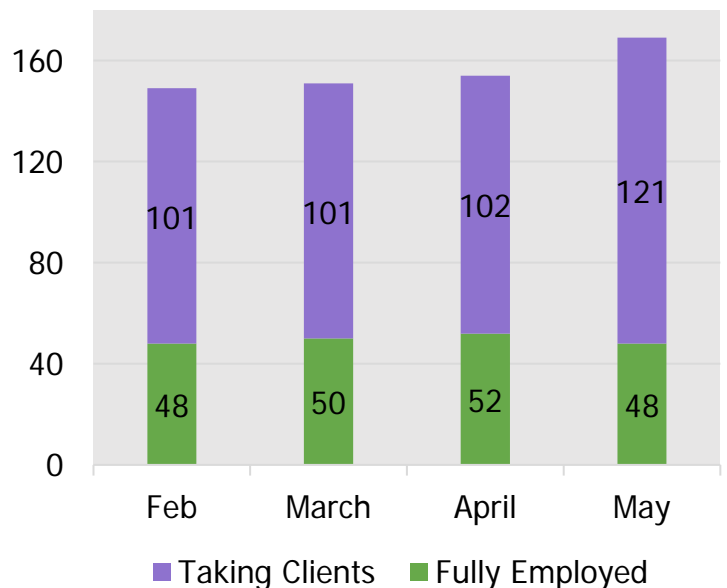

The IHSS Registry has been steadily increasing over the past few months. In February 2017 there were 149 Care Providers on the Registry. In May 2017, that number increased to 169. In May of last year, there were 89 Care Providers on the Registry; this number has nearly doubled in the past year.
